

BRICKENDON

Directory of Goods and Services · January 2012

www.brickendon-liberty.org.uk

Welcome to the Brickendon directory of goods and services, produced together with the Brickendon Newsletter. The first section gives a list of people who live and work in the parish who have goods or services to offer. The second is a list of contacts outside the parish who have been recommended by one or more parishioners.

If, after use, you are dissatisfied with a service provided by any of the following then do please advise the editor.

People from *within* the parish with goods or services to offer, who may or may not be recommended

Neither the compiler nor the publisher of the Brickendon Newsletter can accept any responsibility for goods or services provided by anyone listed in this directory, although complaints will be looked into. You are advised always to use your judgement before inviting anyone into your home or before parting with any money.

Some of the following information has already appeared in the Newsletter but is worth repeating.

PLEASE DESTROY LAST YEAR'S DIRECTORY OF GOODS AND SERVICES'.

Some services have been deleted and others added. Please let the editor know if you are dissatisfied with any service - or wish to recommend others for inclusion in future issues.

BRICKENDON LIBERTY PARISH WEBSITE

For information about the parish, up-dates on planning, what's happening, who's who, **do** look at our website: www.brickendon-liberty.org.uk.

'BOING'

A service offered to the public by Herts Police. Instead of ringing the non-emergency number for help with what may be an emergency to you but is not a police matter. BOING has a large number of contacts all vetted by the police including boarders and glaziers, plumbers, solicitors, key holders and so on. Just call 0800 587 0548.

E-MAIL ADDRESSES

It might be in your interest to receive immediate information from **Neighbourhood Watch**. If you agree then please visit our website and leave your email address on the contact link. www.brickendon-liberty.org.uk

FANSHAWS ROOM (the parish hall)

The hall faces Brickendon Green car park (15 cars) and is available for hire by parish residents at £7 hour and £8 hour for non-residents. Chairs can be hired separately for outside use. For health and safety reasons the hall can only seat a limited number of people at tables. For availability, to book and for further details please contact Brenda Lambie on 01992 511551

ICE – In Case of Emergency

Everyone is recommended to store the word 'ICE' in their mobile phone address book. Against it they should enter the home and phone numbers of the person(s) they would like contacted on their behalf in an emergency situation. Ambulance and hospital staff will then be able to identify and contact such persons without delay.

MAP OF PARISH RIGHTS OF WAY

If you have recently moved into the parish you may not be aware that a limited number of maps are available free of charge, showing all rights of way. Invaluable if you like walking, Available from John Lambie 01992 511551.

THE ANCIENT CHARITIES OF HERTFORD

Includes the charitable trust set up by Thomas Nobles to help people in need. Several people living in Brickendon Liberty have benefited. Money is limited but if you, or someone you know has a problem please contact Rosemary King on 511405. The trust may be able to help.

BENEFITS SERVICES

Don't be one of the millions of pensioners who miss out on benefits just because you **don't think** you're entitled to it. Ring 0800 373852 for advice on housing and council tax benefits or for general advice your nearest Citizens Advice Bureau in Hertford on 01992 581441.

POTHoles & HIGHWAYS FAULTS

Always report potholes, bent or missing signs, lamp posts, floods and road obstructions to Herts Highways Fault Reporting Line on 0300 1234047, make sure you are given a reference number and make a note of the date.

PHONE SCAMS Land lines and mobiles

If you get a call saying you've won something asking you to press 9 for details – DON'T – hang up immediately. **Never** give callers your post code, house number or bank details. If a 'telephone engineer' phones asking you to dial 9 or 9.0 hash or 0.9 hash DON'T! If a missed call shows on a mobile and you are asked to phone a number beginning with 0709 – DON'T it will cost you £50 a minute - **and you'll have to pay!**

RECOGNISING A STROKE

A neurologist has said that if he can get to a stroke victim within three hours he can totally reverse its effects. Doctors say a bystander can recognise a stroke by asking three simple questions. Ask the victim to: 1) SMILE. 2) TO RAISE BOTH ARMS. 3) TO SPEAK A SIMPLE SENTENCE or to stick their tongue out straight. **If the person has a problem with any of these tasks dial 999 for an ambulance immediately.**

SURVIVING A HEART ATTACK IF ALONE

If you begin to feel faint and experience severe pain in your chest which radiates up your arm and to your jaw cough repeatedly and very vigorously. Take a breath before each cough which should be deep and prolonged and repeat every 2 seconds until help arrives

REFUSE COLLECTION

One week grey bins with general household rubbish; the next week garden waste, tins, paper, glass and plastic bottles. If you have a problem concerning your rubbish contact 01279 655261 or www.eastherts.gov.uk

DONT LET A STRANGER IN YOUR HOME

If someone calls on you without an appointment claiming to come from the water board, or gas, phone or electricity companies, put your chain on before opening the door. If they say it is an emergency and ask to come in to check something - even if they show you what looks like an identity card - **DON'T LET THEM IN**. Close the door firmly and phone a neighbour or the police on 999!

Supplement to Brickendon Newsletter Dec2011/Jan2012
