### **PLEASE DESTROY LAST YEAR'S DIRECTORY OF GOODS AND SERVICES'**

*Some services have been deleted and others added. Please let the editor know if you are dissatisfied with any service - or wish to recommend others for inclusion in future issues.*

### **BRICKENDON LIBERTY PARISH WEBSITE**

For all information about the parish, up-dates on planning matters, what's happening, who's who, look at our website: [www.brickendon-liberty.org.uk](http://www.brickendon-liberty.org.uk)

### **'BOING'**

A new service offered to the public by Herts Police Service instead of ringing their non-emergency number for help with what may be an emergency to them but is not a police matter. BOING has a large number of contacts all vetted by the police including boarders and glaziers, plumbers, solicitors, key holders and so on. BOING can be contacted directly on 0800 587 0548.

### **E-MAIL ADDRESSES**

It might be in your interest to receive immediate information from **Neighbourhood Watch**. If you agree then please visit our website and leave your email address on the contact link. [www.brickendon-liberty.org.uk](http://www.brickendon-liberty.org.uk)

### **FANSHAWS ROOM (the parish hall)**

The hall which faces Brickendon Green car park (15 cars) can be hired by parish residents. Tables, cutlery and crockery can be hired separately for outside use. For health and safety reasons the hall can only seat 50 people at tables. For availability, to book and cost of hire details please contact Brenda Lambie 01992 511551

### **HELP WITH TRANSPORT**

Because of our infrequent (and in some places non-existent) bus service, if you need help with transport in an emergency or to go to your doctor, dentist or chemist, then please ring Beryl Scott Smith on 01992 511617.

### **ICE – In Case of Emergency**

Everyone is recommended to store the word 'ICE' in their mobile phone address book. Against it they should enter the home and work phone numbers of the person(s) they would like contacted on their behalf in an emergency situation. Ambulance and hospital staff will then be able to identify and contact such persons without delay.

### **MAP OF PARISH RIGHTS OF WAY**

If you have recently moved into the parish you may not be aware that a map is available free of charge, showing all rights of way. Invaluable if you like walking, Available flat or folded from Graham Irwin 511697.

### **THE ANCIENT CHARITIES OF HERTFORD**

Includes the charitable trust set up by Thomas Nobles to help people in need. Several people living in Brickendon Liberty have benefited. Money is limited but if you, or someone you know has a problem please contact Rosemary King on 511405. The trust may be able to help.

### **THE WORMLEY PAROCHIAL CHARITY**

Helps with travel expenses to hospital etc. Write to The Wormley Parochial Charity, PO Box 281, Hoddesdon.

### **BENEFITS SERVICES**

Don't be one of the millions of pensioners who miss out on benefits just because you **don't think** you're entitled to it. Ring 0800 373852 for advice on housing and council tax benefits or for general advice your nearest Citizens Advice Bureau in Hertford on 01992 581441.

### **POTHoles & HIGHWAYS FAULTS**

Always report potholes, bent or missing signs, lamp posts, floods and road obstructions to Herts Highways Fault Reporting Line on 0300 1234047, make sure you are given a reference number and make a note of the date.

### **PHONE SCAMS** Land lines and mobiles

If you get a call saying you've won something asking you to press 9 for details – DON'T – hang up immediately. It could cost you £20. Never give callers your post code, house number or bank details. If a 'telephone engineer' phones asking you to dial 9 or 9.0 hash or 0.9 hash DON'T! If a missed call shows on a mobile and you are asked to phone a number beginning with 0709 – DON'T it will cost you £50 a minutes - **and you'll have to pay!**

### **RECOGNISING A STROKE**

A neurologist has said that if he can get to a stroke victim within three hours he can totally reverse its effects.

Doctors say a bystander can recognise a stroke by asking three simple questions. Ask the victim to: 1) SMILE. 2) TO RAISE BOTH ARMS. 3) TO SPEAK A SIMPLE SENTENCE or to stick their tongue out straight.

**If the person has a problem with any of these tasks call an ambulance immediately.**

### **SURVIVING A HEART ATTACK IF ALONE**

If you begin to feel faint and experience severe pain in your chest which radiates up your arm and to your jaw cough repeatedly and very vigorously. Take a breath before each cough which should be deep and prolonged and repeat every 2 seconds until help arrives

### **REFUSE COLLECTION**

One week grey bins with household rubbish; the next week garden waste, tins, paper, glass and plastic bottles. If you have a problem concerning your rubbish collection contact 01279 655261 or [www.eastherts.gov.uk](http://www.eastherts.gov.uk)

### **DONT LET A STRANGER IN YOUR HOME**

If someone calls on you without an appointment claiming to come from the water board, or gas, phone or electricity companies, put your chain on before opening the door. If they say it is an emergency and ask to come in to check something - even if they show you what looks like an identity card - **DON'T LET THEM IN**. Close the door firmly and phone a neighbour - or if particularly suspicious - the police on 999!
